

**Andy Bellamy**  
**AJA EMEA Technical Director**  
**AJA Video Systems**

Andy's career spans two decades in the broadcast retail sector, primarily with AJA Video Systems, following extensive experience in video production for the music industry.

As AJA EMEA Technical Director, Andy offers exceptional technical support and problem-solving expertise to everyone, serving as our spokesperson and presenting AJA's thought leadership at various events across EMEA. His strengths lie in his problem-solving abilities and his talent for engaging audiences, whether in one-on-one settings or on a global stage.
